To Whom It May Concern:

I am writing on behalf of Darryl Kcllough with Southside Constructors. Southside is an extremely competent company and has always done exceptional work for the Johnny's Enterprises organization. Darryl and his team at Southside are versatile performing various trades and special projects. All of the work performed for the Johnny's Enterprise expansion was done in a timely and efficient manner.

I was always kept informed with the progress of the various projects I had Darryl and his team construct. I have spent time with Darryl and his team professionally and can say that he and his team are extremely intelligent, hardworking and loyal. Southside constructors would definitely be an asset with whatever projects you might need.

Very Truly Yours,
