Dear Mr. Price,

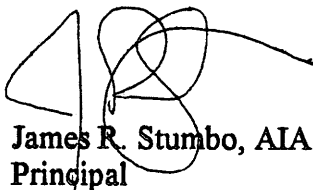

We are pleased to take this opportunity to recommend Southside Constructors for any projects that you might be considering.

We have had the pleasure of working with Darryl Kellough and Terry Jones as they constructed the West Gastonia Boys and Girls Club Renovations and Additions. They performed the work on this project in a professional manner that was beyond the normal care taken. The project was also completed expeditiously and the owner was able to occupy the facility a full three months ahead of schedule.

As I am sure you are aware, even if you have construction documents that have been prepared with the utmost skill and care, if the design is not carried out with much for thought and dedication; the needs of the owner, the budget and the time schedule can easily be missed. We have complete confidence that Mr. Kellough and Southside Constructors will more than meet your expectations.

Please do not hesitate to contact me if you have any specific questions or if I can be of further assistance.

Sincerely,

**James R. Stumbo, AIA
