To whom it may concern:

(Letter of Reference)

Villa Antonio Ristorante hired Southside Contactors to build our new restaurant located in Charlotte, NC- Ballantyne area in the summer of 2005. We are extremely pleased with the work of Wallace and his crew. If we build another restaurant we would contact Southside again and have Wallace build are new establishment. The attention to detail is supurb and of course the timing which is everything was right on. Due to the experience and knowledge of his crew, we now have a very established new restaurant in our portfolio.

Sincerely,

Anthony Garcia
